Dear Valued Customers,

With the spread of COVID-19, we are in the midst of uncertainty, but we are committed to work through these challenges together. Our thoughts go out to everyone who has been severely impacted in many ways.

We are taking steps to make sure we can continue to serve you and maintain the health and safety of our employees as the nation deals with this pandemic.

Many employees have been asked to work from home and we are taking steps to practice social distancing within all of our facilities. These changes have required adjustments for us and we appreciate your patience as you may experience some delays or shortages regarding your orders.

Our sales representatives are available and happy to answer any questions that you may have.

Thank you for your business and we hope you stay safe and well.

Sincerely,

Toshiyuki Nishikawa  
President & CEO (Interim)
